## HELIOS Yacht Charter

Sleek and state of the art yacht for charter.

Launched in 2001, HELIOS showcases exemplary craftsmanship from Dutch shipyard Oceanco across her four levels and is one of the most well-appointed superyachts in her size category.

Among her expansive outdoor spaces is a large sundeck, with a Jacuzzi, sleek bar and multiple lounging areas, while alfresco dining options and a chic beach club are located on the decks below. Neutral shades, light woods and modern artworks combine to create a sophisticated yet tranquil atmosphere in her living areas, and the beautiful styling continues into her seven staterooms.

Standout amenities include two fully-equipped bars in both her salons, a gym and drop-down projector perfect for movie nights, ensuring no guest on board HELIOS is left wanting.
