SOARING Yacht Charter

A striking yacht with exceptional design.

Featuring contemporary styling and a sporty line, SOARING offers luxury accommodation for 12 guests in 6 staterooms plus an abundance of socialising and entertaining areas.

This brand new 68m luxury yacht, built by the well known German shipyard Abeking & Rasmussen will be new to the charter market in spring 2020. SOARING is a high quality yacht with extensive attention to detail and can welcome 12 guests in 6 luxurious staterooms. The lower deck swim platform provides a spacious area beside the water for sunbathing, spreading out with the water toys or easy access to the tenders.

A unique opportunity to charter this extraordinary, brand new Abeking & Rasmussen yacht.
