# M/Y Ambrosia

Benetti 65m 2006 /2017

For sale in excellent condition, AMBROSIA is a timeless icon of the Benetti fleet. Launched in 2006 and extensively refitted in 2017, this superyacht has had only one Owner since its inception. As the fourth new build commissioned by the Owner, who was also the main Shareholder of Benetti at the time, AMBROSIA benefits from their vast experience, resulting in the highest specification Benetti yacht ever built.

Every detail of AMBROSIA, from its technical specifications to its interior layout and decoration, was meticulously planned and executed. Renowned specialists, including Espen Oieno, Stefano Natucci, and Francois Zuretti, were enlisted by the Owner to ensure the utmost quality in these areas.

With its 4-deck layout, AMBROSIA offers ample space and volume, providing various options for dining, entertainment, and relaxation. The interior features a gymnasium, cinema, two expansive salons, two bars, and two dining salons.

Currently located in Taiwan, AMBROSIA presents a unique opportunity for those seeking a luxury yacht that combines exceptional craftsmanship and meticulous design.
