- Wiper control: Provided
- Fire detection: Tyco Minerva T2000
- Navigation lights: Controlled from mimic panel

## Manufacturer Provided Description

Breathtaking scale and classic flowing lines give this yacht unmistakable countenance on the water. In many respects not much smaller than her flagship sister, three capacious decks provide opulent entertainment areas and generous accommodation, based on a completely new hull. Other benefits of the relationship with the 37M Yacht include the same ship's systems and infrastructure, and the crew and guest separation scheme throughout the vessel. There's also the impressive flybridge - this time with a second helm station.
