40.05m NEXUS is a stunning tri-deck motor yacht from Sunseeker's acclaimed 131 series. Delivered in 2019, she is built to the very highest standards and specifications to ensure guests enjoy an ultra-luxurious charter experience.

A sophisticated blend of performance and design, NEXUS pairs a contemporary open-plan interior with multiple outdoor living areas. Equipped with a host of exclusive features, her onboard highlights include a spectacular full-beam master suite, a light-filled sky lounge and an on-deck spa pool.

Beautifully decorated with a chic modern aesthetic, NEXUS' full-beam master suite is located forward on the main deck. Pairing a soft neutral colour palette with high gloss Wenge wood panelling, the spacious suite opens into a huge ensuite bathroom equipped with a steam shower for the full onboard spa experience.

Designed for well-being and relaxation, NEXUS' sundeck features a forward-facing spa pool and can be set up as an outdoor gym or used for sunrise yoga sessions. Equipped with an outdoor sound system, the sundeck also has a dining area and full bar for alfresco lunches in the sunshine.
