This megayacht boasts wide spaces to allow a relaxing and informal lifestyle. On the main deck a big lounge area welcomes the Guests on board with a nice swimming pool. On the upper deck the salon offers an elegant circle lounge and an exterior dining area for "alfresco" dinners. On top, the sundeck is equipped with fitting area, gym and open air Jacuzzi.

The six Guests cabins can accommodate up to 12 people and boast a design based on the four elements: air, fire, earth and water. A warm, elegant and relaxing atmosphere can be felt all over the interiors. The engine room is situated mid-ship, in order to give space for the wide area wellness & spa aft on the lower deck. This area has a direct access from the Guests cabin or from main deck and offers steam bath, sauna, massage room, area relax and a balcony.
