The sophisticated design of the Majesty 120 includes an outstanding interior, which features carefully selected wooden, leather and marble finishes and panelling. The attention-to-detail on this superyacht is unrivalled. Every fixture and fitting is a showpiece down to the high-quality hand-fitted furniture.

The Italian design studio at Cristiano Gatto Design Team, have worked with the shipyard to design the interior of this Majesty 120.

The magnificent Majesty 120 is an immaculate superyacht designed for private getaways and effortless entertaining. The powerful 37m Majesty 120 has been built with the owner's preferences in mind, with a strong focus on luxury, performance and comfort.

Amongst the standout features onboard is a Jacuzzi situated on the sun deck. This superyacht boasts 30% larger outdoor entertainment areas compared to any other yacht in its class.

The smart layout onboard the Majesty 120 allows for a beachclub to double as a tender garage, creating a hybrid solution for the guests onboard. The multipurpose ladder that extends from the swim-platform allows for an easier and safer access to the superyacht while moored.
