Seagull of Cayman is a classic build that has been impeccably maintained, with a major refit in 2006 and three-year refit program from 2015-2017.

Work undertaken in her multi-million Euro refit has included steel work on her bottom, replacement of 95% of engine room piping, new zero speed stabilisers for added comfort at sea, a full new Awlgrip paint job, a huge new sun pad on the upper deck, a new entertainment system throughout the yacht and much more. New interior styling by Patrick Khayat has given her interior a refresh in a 'modern classic' style, that pays tribute to all her classic features whilst bringing her in line with today.
