Built in Germany by **Lurssen** in 2011, M/Y Valerie boasts an impressive volume of 2,755GT spread over six decks and provides everything you could dream of having on a mega yacht of the highest grade. Accommodation is for **17 guests in nine well-appointed cabins** served by 27 crew. High ceilings of 2.3 metres and full-height windows provide unparalleled sea views throughout. Valerie has a whole host of on-board amenities ranging from the fully equipped Spa with hammam to the heli-deck and expansive private top deck which holds a 6-metre swimming pool. Moreover, a starboard waterline guest boarding platform gives direct access to the lower deck and to the elevator which serves all decks.

Her unique character is a combination of contemporary exterior styling by the renowned designer **Espen Øino** with a stunning classy interior by **Reymond Langton** which is full of rich details. Lurssen's legendary build quality is evident in every element of Valerie's design.

Maintained by one owner and his crew since construction, she is a pedigree product and a rare opportunity to acquire one of the **most impressive and impeccably maintained superyachts on the market today without waiting years for a new construction**. The vessel underwent an extensive refit in 2019 and is in superb condition.
